A GOOD WILL MESSAGE FROM THE PRINCIPAL

Dear Students,

It gives me immense pleasure to welcome you all to this institution of Higher Education, situated in Na Ali Dhekiajuli, Jorhat-9. I on behalf of entire Dr. Nabin Bordoloi College family extend my heartfelt greetings to you to this temple of learning. I believe that the college family will be able to fulfill your dreams.

Thank you

PROFILE

Dr. Nobin Bordoloi College occupies a very important place in the academic domain of Jorhat district. Established in the year 1986 by the sincerest initiatives of a good number of benevolent public and academicians and provincialised by Government of Assam Order No. AHE/587/2013/9 dated 21st May 2014 the College was initially functioning its activities in Titaram Bordoloi Boy's High School premises under the Principalship of Late Prafulla Ch. Mahanta, the then Headmaster of the School from 1986 to 1991. The college acquired its own land when a few generous and philanthropic donors like Late Bhava Ch. Borboruah, Late Kamal Ch. Bordoloi, Late Dr. Nobin Ch. Bordoloi, Late Premadhar Saikia, Late Loknath Gogoi, Premoda Borah, Mr. Bhogeswar Saikia, Mr. Nityananda Bordoloi, Late Premkanta Borah and Bandana Borah offered their valuable lands in which the college is now situated. The college has been named after Dr. Nobin Bordoloi 'Samaj Ratna' a social worker of repute and litterateur who hails from this locality. The people of the locality extended their sincere co-operation towards this magnanimous act initiated by these stalwarts of this locality.

The college is located at Na-Ali Dhekiajuli, about 12 kilometers away from Jorhat district Head- Quarter. It is the only higher educational institution in Dhekiajuli, Jorhat a place having its own historical importance from Ahom rule onwards.

With an ideal academic atmosphere, the college is earning a great reputation amongst the colleges affiliated to Dibrugarh University. Besides the serene academic ambience, the general environmental of the college is very congenial for the students as it is situated far away from the hustle and bustle of city crowd and the din of modern mechanized transport.

The college campus is surrounded by lush green paddy fields. The transportation system leading to the college is very good. It is easily accessible from Jorhat city and Titabor town. Bus, minibus and magic ply in front of the college throughout the day between Jorhat and Borholla via Titabor. It is worth-mentioning that the college is fully equipped with well-furnished buildings and a big playground with necessary civic amenities. A primary health centre, post-office, telephone exchange, police station, a branch of Assam GraminVikash Bank, shops etc. are all on the outskirts of the College.

Presently, the college has only one stream, namely the Arts upto the degree level with major in Assamese, Economics, Education, English, Geography, History, Political Science and Sociology. Various plans are there to promote it as a full grown college fulfilling the most desirous demand of the people of the locality.

In addition to the Arts stream, Krishna Kanta Handique Open University has approved a study centre to this college. We expect, this measures will help those ardent lovers of Higher Education who have failed to fulfill their hopes and aspirations due to different reasons.

The college is affiliated to Dibrugarh University having final concurrence from the Govt. of Assam in 2004.

It is noteworthy to mention that the UGC has extended its 2(f) and 12 (B) affiliations to this institution. And the college has been accredited by NAAC with B+ Grade.

8 Course Structure:

The Course Structure of the Undergraduate Academic Programmes shall be as per the Course Structure given in *Annexure I*. The nature of the Courses for all Under Graduate Academic programmes shall be as below:

Sl. No	Category of the course	Course	Description
1	Major Discipline: Major discipline provides the opportunity for a student to pursue in-depth study of a particular subject or discipline	Major discipline (Core)	Major discipline is the discipline or subject of Main Focus and the degree will be awarded in that discipline. Students should secure the prescribed number of credits (about 50% of total credits) through core courses of the major discipline.
2	Minor discipline: Students who take a sufficient number of courses in a discipline or an interdisciplinary area of study other than the chosen major will qualify for a minor in that discipline	Minor discipline	Minor discipline helps a student to gain a broader understanding beyond the major discipline.

3	<p>Multi- Disciplinary Generic Elective: All UG students are required to undergo 3 introductory level courses relating to any of the broad disciplines. These courses are intended to broaden the intellectual experiences and form part of liberal arts and science education.</p> <p><i>However, students shall not be allowed to choose or repeat any of these courses already undergone at the Higher Secondary level (12th class) and the discipline which he/she has chosen as Major.</i></p>	Multi-Disciplinary Generic Elective-Natural Sciences	Introductory courses on Natural Sciences to be chosen from a basket of courses that would include for example, Astronomy and Astrophysics, Biology, Biochemistry, Chemistry, Computer Science, Data Science, Earth and Atmospheric Sciences, Physics, Statistics, etc. Each Department/Centre of Studies shall offer GEC
		Multi-Disciplinary Generic Elective-Social Sciences	Introductory Courses on Social Sciences to be chosen from a basket of courses that would include for example, Economics, Education, History, Linguistics, Political Science, Psychology, Sociology, Social Work, Communication and Media, etc. Each Department/Centre of Studies shall offer GEC
		Multi-Disciplinary Generic Elective-Humanities	Introductory Courses on Humanities to be chosen from a basket of courses that would include for example, Archaeology, Arts and Creative expressions, Comparative Literature, Creative writing and Literature, Philosophy, etc. Each Department/Centre of Studies shall offer GEC
4	<p>Ability Enhancement Courses: These courses aim to enabling the students to acquire and demonstrate the core linguistic skills, including critical reading and expository and academic writing skills.</p>	Language (MIL/Regional Language)	Students are required to achieve competency in the use of a MIL or Regional Language. All language disciplines except English shall offer Language Courses
		Language and Communication Skills (English)	Students are required to achieve competency in the use of English language with special emphasis on language and Communication Skills. Department of English shall offer this course

		Mathematical and Computational Thinking and Analysis	Courses relating to Mathematical and Computational Thinking and Analysis would focus primarily on the mathematical and statistical tools used to support the study of natural and social sciences, including subject areas such as astronomy, biology, chemistry, economics, the environment, geological sciences, physics, and sociology etc. These courses would focus on the methodology used to analyze quantitative information to make decisions, judgments, and predictions, including defining a problem by means of numerical or geometrical representations of real-world phenomena, determining how to solve it, deducing inferences, formulating alternatives, and predicting cause and effect relationships. The goal is to ensure that students achieve a level of proficiency in using and analyzing quantitative information.
5	Value Added Course 2: The courses aim to enable the students to acquire and demonstrate certain values	Health and Wellness	The Course components relating to Health and Wellness seek to promote an optimal state of physical, emotional, intellectual, social, spiritual and environmental wellbeing of a person.
		Yoga	Yoga, Sports and Fitness activities will be organized outside the regular institutional working hours.
		Environmental Education/Science	The course seeks to equip students with the ability to apply the acquired knowledge, skills, attitudes, and values required to take appropriate actions for mitigating the effects of environmental degradation, climate change and

			<p>pollution, effective waste management, conservation of biological diversity, management of biological resources, forest and wildlife conservation, and sustainable development and living. There shall be more emphasis on community-based activities.</p>
		Digital and Technological Solutions/Digital Fluency	<p>Courses in cutting-edge areas that are fast gaining prominence such as Artificial Intelligence (AI), 3-D machining, big data analysis, and machine learning with important applications to health, environment, and sustainable living that will be woven into undergraduate education for enhancing the employability of the youth.</p>
		Understanding India	<p>The course aims at enabling the students to acquire and demonstrate the knowledge and understanding of contemporary India with its historical perspective, the basic framework of the goals and policies of national development, and the constitutional obligations with special emphasis on constitutional values and fundamental rights and duties. The course would also focus on developing an understanding among student-teachers of the Indian knowledge systems, Indian education system and the roles and obligations of teachers to the nation in general and to the school/community/society, specifically.</p>
6	<p>Skill Enhancement courses: These courses are aimed at imparting practical skills, hands on training, soft skills etc. to enhance the employability of the students.</p>		<p>The institution may design courses as per the students' needs and available institutional resources subject to approval of the Dibrugarh University.</p>

7	Community engagement (NSS/Adult Education/Student mentoring/NGO/Govt. institutions, etc.):	The curricular component of ‘community engagement and service’ seeks to expose students to the socio-economic issues in society so that the theoretical learning can be supplemented by actual life experiences to generate solutions to real-life problems. This component will include participation in activities related to National Service Scheme (NSS), National Cadet Corps (NCC), adult education/literacy initiatives and mentoring school students and other community works
8	Field based learning/project	The field-based learning/project will attempt to provide opportunities for students to understand the different socio-economic contexts. It will aim at giving students exposure to development-related issues in rural and urban settings. It will provide opportunities for students to observe situation in rural and urban contexts, and to observe and study actual field situations regarding issues related to socio-economic development. Students will be given opportunities to gain a first-hand understanding of the policies, regulations, organizational structures, processes, and programmes that guide the development process.
9	Internship	: Students will be provided with opportunities for internships with local industry, businesses, artists, crafts persons, etc. so that they may actively engage with the practical side of their learning and, as a by-product, further improve their employability.

10	Research Project	All students pursuing a Four-Year Bachelor's Degree with Honours with Research will be required to take up research oriented advanced courses, research methodology courses and a research project.
----	------------------	---

A Course may also take the form of a Dissertation/ Project work/ Practical training/ Fieldwork/Internship, etc.

A student shall have to study the academic programme as per the scheme of the Programme. Even if a candidate earns the required number of credits before completion of the full duration of the programme, he/she shall not be entitled for the degree.

9 Course Enrolment

The minimum and maximum credits to be opted by a student for qualifying of a Undergraduate programme shall be as per the Course Structure given as **Annexure I**.

Change in Major: Students shall be allowed to change major within the broad discipline at the end of the second semester by giving him/her sufficient time to explore interdisciplinary courses during the first year. *The HEIs may create 10% additional seats over and above the sanctioned strength to accommodate the request for a change of major.*

Change in Minor: Students shall be allowed to change Minor courses of his/her areas of interest within the broad discipline at the end of the third semester. If a student pursuing a major obtains a minimum of 12 credits from another branch then the student will be awarded Bachelor degree in previous with a minor in later.

10 Attendance

The Course Teacher shall be responsible for maintaining a record of attendance of students who have enrolled for the course.

All Course Teachers of college/institutions shall intimate the Principal/ Director of a college/ Institute through the Head of the Department concerned at least thirty calendar days before the last instruction day in the semester, the particulars of all students who have less than 80% of attendance during the total number of class days.

In case of University Departments/Centre for Studies all course teachers shall intimate the Head of the Department/Chairperson of the Centre for Studies concerned at least thirty

calendar days before the last instruction day in the semester, the particulars of all students who have less than 80% of attendance during the total number of class days.

A student who has less than 80% attendance in average shall not be permitted to sit for the End-semester examination. However, that it shall be open to the University to grant exemption to a student who has attended a minimum of 70% classes but failed to obtain the prescribed 80% attendance for valid reasons, on recommendation of the Head/Chairperson/Principals of the Department/Centre/College on payment of a prescribed fee(s).

The Head of the Departments/Chairperson of the Centre for Studies/Principals of the Colleges shall announce the names of all students who shall not be eligible to take the End-semester examinations in the various Programmes and send a copy of the same to the Controller of Examinations. Such candidates shall have to repeat the concerned Course(s) when it is offered next.

A student declared as dis-collegiate shall not be allowed to proceed to the next higher Semester. He/she shall need to pursue the Semester afresh in which he/she was declared as dis-collegiate along with the next fresh batch.

11 Examination and Evaluation:

- (a) Examination and evaluation shall be done on a continuous basis, at least two times during a Semester including the End Semester Examination.
- (b) There shall be 20% marks for in-semester assessment and 80% marks for End-semester examination in each course during every semester.
- (c) There shall be no provision for re-evaluation of the answer-scripts of the end-semester examinations. However, a candidate may apply for re-scrutiny.

(d) In-semester Assessment:

- (i) In in-semester assessment, different tools such as objective tests, written tests, assignments, paper presentation, laboratory work, etc. suitable to the courses may be employed.
- (ii) The students shall be informed in advance about the nature of assessment. Students shall be required to compulsorily attend in-semester assessment including appearing the sessional tests, failing which they will not be allowed to appear for the End-semester examination. A Student cannot repeat In-semester examinations. The Department/Centre for Studies may arrange special in-semester examination whenever

necessary.

(e) ***End Semester Examination:***

- (i) There shall be one End semester examination carrying 80% Marks in each course of a Semester covering the entire syllabus prescribed for the Course. The End semester examination is normally a written/laboratory-based examination/Project Work/Dissertation.
 - (ii) The Controller of Examinations shall make necessary arrangements for notifying the dates of the End semester examinations and other procedures as per Dibrugarh University Rules (at least 20 days in advance) and the Academic Calendar notified by the University.
 - (iii) The time given for End-semester examination for each Course shall be based on the credits/marks of the course.
 - (iv) Emphasis needs to be given on problem solving, application level questions as prescribed by National Education Policy, 2020. The question paper should include different forms of question.
- (f) ***Confidential Works:*** Setting of question papers, moderation of question papers, evaluation of answer scripts, scrutiny, tabulation of marks, etc. and announcement of results, shall be governed by the Dibrugarh University Examination Ordinance.
- (g) The mode of the conduct of the end-semester examinations of the practical/dissertation courses shall be partially external as below:
- i. The end-semester examinations of all practical/dissertation courses shall be conducted by a Board of Examiners consisting of the internal examiner (the concerned course teacher) and an external examiner appointed by the Controller of Examinations.
 - ii. A student shall not be allowed to take more than one full course as project work in a single semester.
- (h) The mode of end-semester examination and evaluation of the Course shall be specified in the detailed syllabus of the course concerned.
- (i) End-semester practical examinations shall normally be held before the theory examinations.

(j) Betterment Examination:

- i. A student shall be entitled to take the 'Betterment Examinations' in any two theory courses after successful completion of 3 year/4year programme only once. In this case, the higher marks secured by the student shall be retained. The candidates shall have to apply for betterment examination within one year of passing the Sixth/Eight Semester examination. Students shall have to appear in the betterment examination with the regular batch.
- ii. No betterments shall be allowed in the practical/project/dissertation/internship examinations.

12 Results and Progression:

A candidate shall be declared as passed a Programme, provided he/she secures-
At least 30% of marks in each Course in the End Semester Examinations combining both theory and practical examinations
At least 'P' grade in the 10 point scale combining both the in-semester and End Semester Examination performance.

There shall be no separate pass mark for In-semester Assessment.

A candidate shall be declared as passed a semester/ programme, provided he/ she secures at least 'P' grade in the 10 point scale (given in clause) in all the Courses separately.

There may be moderation of In-semester Assessment marks/End Semester marks as and when necessary.

The marks of In-semester examinations obtained by the candidate shall be carried over for declaring any result.

A candidate who fails or does not appear in one or more Courses of any end semester examinations up to fifth Semester shall be provisionally promoted to the next higher semester with the failed course as carry over course(s). Such candidates will be eligible to appear in the carryover course in the next regular examinations of those courses. If a candidate fails in any of the components (either theory or practical) of a course the candidate shall have to reappear in the examination for both the components.

If a candidate clears the sixth semester examination before clearing all the courses of the previous semesters, the result of the sixth semester examination of that candidate shall be withheld and his/ her results shall be announced only after he/ she clears the courses of

the previous semesters.

A candidate who fails or does not appear in one or more courses of seventh semester examinations shall be provisionally promoted to the eighth semester with the failed course as carry over course(s). If a candidate clears the eighth semester examination before clearing all the courses of the seventh semesters, the result of the eighth semester examination of that candidate shall be withheld and his/ her results shall be announced only after he/ she clears the courses of the previous semester.

A student must clear all his/her Semester Examinations within six (6) years for three year undergraduate programme and seven years for four year undergraduate programme (with honours/research) from the dates of admission to the First Semester of any Programme irrespective of the number of examinations appeared by the student.

Since the Semester system involves continuous assessment, there shall be no scope for a student to appear as a private candidate in any programme in this system.

A candidate shall be declared to have passed provided he/she has passed all the Semesters and in all the Courses separately for the concerned programme.

The Controller of Examinations shall declare the results of different programmes and issue Grade-sheets. ***The merit list shall be prepared only for the regular candidates and it does not include the backlog candidates.***

The first rank holder of a programme shall be decided on the basis of the CGPA. However, the Overall Weighted Percentage of Marks (OWPM) of a candidate shall be considered in case of tie in CGPA.

Results of the candidates appeared in the Betterment or Backlog Examinations shall not be counted for the award of Prizes/Medals, Rank or Distinction.

13 Provision of Multiple Exit:

Exit 1: There is a provision of exit after successful completion of 1 year (two semesters). A Certificate will be awarded when a student exits at the end of year 1 (2 semesters). Students who have secured minimum of 44 credits will be awarded a UG certificate (in the field of study/discipline) if, in addition, they complete one work based/skill based vocational course/internship of 4 credits within one year from the completion of 2nd semester examination.

Exit 2: There is a provision of exit after successful completion of 2 years (four semesters). A Diploma will be awarded when a student exits at the end of year 2 (4 semesters). Students who have secured minimum of 88 credits will be awarded a UG

Diploma (in the field of study/discipline) if, in addition, they complete one work based/skill based vocational course/internship of 4 credits within one year from the completion of 4th Semester examination.

Exit 3: Three Year UG Degree Programme (BA, B. Sc, B. Com and Bachelor in other discipline) with single/double major: There is a provision of exit after successful completion of 3 years (six semesters). Students who wish to undergo a 3-year UG programme shall be awarded UG degree in the major discipline after successful completion of three years, securing 132 credits.

Four Year UG Programme with Honours (BA, B. Sc, B. Com and Bachelor in other discipline) with single/double major: Students who wish to undergo a 4-year (8 semester) UG programme shall be awarded UG Honours degree in the major discipline after successful completion of four years with Discipline Specific Elective Courses in 7th and 8th semesters in lieu of Research Project and Dissertation, securing a minimum of 176 credits.

Four Year UG Programme with Honours with Research (BA, B. Sc, B. Com and Bachelor in other discipline) with single/double major: Students who wish to undergo a 4-year (8 semester) UG programme shall be awarded UG Honours with Research degree in the major discipline after successful completion of four years, with Research Project and Dissertation in 7th and 8th Semesters, securing 176 credits.

14 Qualification type and Minimum credit requirement:

Equivalent National Higher Education Qualification Framework (NHEQF)	Qualification title	Minimum credit requirement
Level 5	Undergraduate Certificate	44+4
Level 6	Undergraduate Diploma	88+4
Level 7	Bachelor's Degree	132
Level 8	Bachelor's Degree (Honours and Honours with Research)	176

15 Grading System

The absolute grading system shall be applied in evaluating performance of students. The following scale of grading system shall be applied to indicate the performances of students in terms of letter grade and grade points as given below:

Letter Grade with meaning		Grade Point
O	Outstanding	10 (Marks securing 90% and above)
A+	Excellent	9 (Marks securing 80%-90%)
A	Very Good	8 (Marks securing 70% -80%)
B+	Good	7 (Marks securing 60% -70%)
B	Above Average	6 (Marks securing 50% -60%)
C	Average	5 (Marks securing 40%- 50%)
P	Pass	4 (Marks securing 30%-40%)
F	Fail	0
Ab	(absent)	0

*Exclusive Class Interval technique shall be followed in calculation of Grade Point.

Computation of SGPA and CGPA: The procedure to compute the SGPA and CGPA are given below

- (i) The SGPA is the ratio of the sum of the products of the number of credits with the grade points scored by a student in all the courses taken by a student and the sum of the number of credits off all the courses undergone by a student.

$$SGPA (S_i) = \frac{\sum C_i G_i}{\sum C_i}$$

Where C_i is the number of credit of the i th course and G_i is the grade point scored by the student in the i th course.

Example for computation of SGPA

Semester	Course	Credit	Letter Grade	Grade Point	Credit Point (Credit X Grade)
I	Major (Core)	4	A	8	4X8=32
I	Minor	4	B+	7	4X7=28
I	GEC 1	3	B	6	3X6=18
I	AEC (Language)	4	A+	9	4X9=36
I	Value Added Course I	2	A	8	2X8=16
I	Value Added Course II	2	A	8	2X8=16
I	SEC	3	B+	7	3X7=21
		22			167
	SGPA				167/22= 7.59

- (i) The CGPA is also calculated in the same manner taking in to account all the courses undergone by a student over all the semesters of a programme.

$$CGPA (Si) = \frac{\sum CiSi}{\sum Ci}$$

Semester I	Semester II	Semester III	Semester IV	Semester V	Semester VI
Credit: 22	Credit: 22	Credit: 22	Credit: 22	Credit: 22	Credit: 22
SGPA: 7.59	SGPA: 8.00	SGPA: 7.6	SGPA: 7.59	SGPA: 8.00	SGPA: 7.00
CGPA= (22 X 7.59+ 22 X 8.00+22 X 7.6+22 X 7.59+22 X 8.00+22 X 7.00)/132= 7.63					

The SGPA and CGPA shall be rounded off to two decimal points and reported in the transcripts.

- (ii) **Conversion of CGPA in to percentage (%):** CGPA will be multiplied by 10. Percentage of marks = (CGPA X 10)
- (iii) The Letter grade 'B+' and above shall be considered as First Class and Letter grade 'B' shall be considered as Second Class.

- (iv) A student is considered to have completed a course successfully and earned the prescribed credits if he/she secures a letter grade other than F (Failed) or

‘Abs’ (Absent/Incomplete).

- (v) If a candidate secures ‘F’ grade in a Course, he/she shall have to reappear in the Course in the next legitimate chance.
- (vi) If a student secures ‘F’ grade in Project Work/ Dissertation/ assignment etc., he/she shall have to re-submit it after necessary revisions. The Result shall be declared with next regular batch.
- (vii) ‘Abs’ grade shall be awarded to a candidate if he/she has not fulfilled the following requirements:
 - (a) If a candidate fails to appear in any Course(s) in an end semester examination.
 - (b) If a candidate fails to submit the project work/dissertation / assignment of an end semester examination.
 - (c) If a candidate is certified as not eligible to appear in any course(s) in an end semester examination by the Course Teacher(s) due to insufficient attendance in lectures, tutorials practical or fieldworks.
- (viii) The candidates not appearing in a Semester Examination shall be considered as an ‘Abs’ candidate **and** that will be reflected in the Grade Sheet of the candidate. These candidates shall have to convert the ‘Abs’ grade by appearing in the next examination on the Course (provided he/ she has legitimate chance to appear the Course) concerned or by submitting project work/dissertation/ assignment etc.

Enrolment Policy for the Course Curriculum

Dr. Nobin Bordoloi College is committed to follow the regulation and guidelines of admission stipulated by the statutory bodies such as University Grants commission, affiliated University of the institution i.e.; Dibrugarh University and Directorate of Higher Education, Govt. of Assam who have recognised the programmes. The Institution has formed an admission committee headed by the Principal and all HoDs as members and a prospectus preparation committee by few senior faculties. The committee has planned and initiated the admission related procedures. The institution has prepared an updated prospectus which provides detailed information on the vision and mission of the institution, details of courses offered, duration of courses, course pattern, entry requirement, eligibility detail, mode of selection etc. The institution has followed the reservation norms of the government of India in admission of students. The prospectus provides detail of academic governance of the institution. Candidates, who wish to apply for the various courses offered by the institution, must go through the Government generated admission portal i.e., SAMARTH, submit the online form along with required documents. On the basis of uploaded application form and documents the college considers their application for the selection list on the basis of their merits. The admission procedures of the institution are as follows-

- Admission schedules are notified through the newspapers, college notice board and College website - www.dnabinbordoloicollege.org
- Admission date and time are scheduled by the Department of Higher Education, Govt. of Assam and published in the SAMARTH platform.
- The merit list of the selected candidates for admission is published in both the college web site- www.dnabinbordoloicollege.org and SAMARTH portal from time to time.
- Students must submit self-attested copies of mark sheets and certificates of the last examination passed along with their online applications. Original mark sheets, certificates etc. will have to be produced at the time of admission. Apart from these annual family income certificate/ration card for fees waivers, bank passbook etc. are also required at the time of admission.
- The student, who seeks admission in various quotas, must upload his or her required supporting document in the SAMARTH portal and submit the same self-attested copies at the time of admission.

Academic Planning and Internal Semester Monitoring System:

Academic Planning and Internal Semester Monitoring Committee (ISMC) plays a significant role in higher educational institutions. ISMC deals with the academic issues of the students. It monitors the attendance and performance of the students, counsel them and provide means to overcome their drawbacks through the student mentoring mechanism. After the declaration of the results the ISMC analyses the results and attendance to improve the regularity, grades and performance of the students.

Policy for Internal Semester Monitoring Committee:

Purpose: The purpose of ISMC is to monitor the educational process adopted by the institution and offers corrective measures for effective curriculum delivery.

Mechanism: The ISMC monitors engagement and non-engagement of classes through teachers' time table, class routine, teaching plan and the teachers' diary submitted by the teachers. It involves both qualitative and quantitative analysis of academic process.

Qualitative and Quantitative Analysis: Qualitative analysis stands for interaction with Head of the Department, concerned teachers with students and quantitative analysis stands for attendance report, engagement and non-engagement of teachers in the classes.

Function of ISMC:

Collection:

- (a) ISMC collects attendance report from the departments every month. It assesses the attendance and informs the department to take measures to improve the attendance.
- (b) Engagement and non-engagement report analysis and submission of the same to the Principal and coordinator of IQAC.

Analysis and Interpretation:

Analysis is carried out on the basis of teaching plan, engagement and non-engagement of teachers, discussion with HoD and remarks to be submitted to the administration.

Action and Decision making: ISMC, concerned HoD and administration take the decision.

Presentation: ISMC presents and submits a report at the end of each semester to IQAC and administration.

Dissemination to Students: The Principal/Coordinator of ISMC/HoD can brief the students regarding academic plans and programmes of the institution.

Composition of ISMC:

1. Chairperson: Principal of the college
2. Vice chairperson: Vice Principal
3. One coordinator
4. All HoDs of the departments
5. Other members may be appointed as per the requirement by ISMC
